**Mr. Gianni Buquicchio, President
Venice Commission**

Dear President Buquicchio,

It is with great pleasure that I am addressing You this letter on behalf of the Constitutional Court of the Republic of Kosovo, to congratulate You on the auspicious occasion of the 30th Anniversary of the Venice Commission of the Council of Europe.

With its work and activities, the Venice Commission has remarkably inspired and promoted in every nation around Europe and beyond the core values of democracy, human rights and international standards of the rule of law.

During the years of close cooperation between the institutions of the Republic of Kosovo and the Venice Commission, our country has managed to achieve a significant progress in embracing and applying the European standards of constitutional democracy and legislative reforms.

This is but a small testament to the positive impact that the Venice Commission has had in performance of its role and function thus far.

Dear President, on this solemn occasion please allow me to convey to You and to all Venice Commission members of the staff, the very best wishes for further success in your important work and endeavors.

Cordially,

Arta Rania-Hajrizi
President
