EUROPEAN COMMISSION FOR DEMOCRACY THROUGH LAW

(VENICE COMMISSION)

Keywords of the alphabetical index

Example including links

Keywords of the alphabetical index *

* The précis presented in this Bulletin are indexed primarily according to the Systematic Thesaurus of constitutional law, which has been compiled by the Venice Commission and the liaison officers (see page *). Indexing according to the keywords in the alphabetical index is supplementary only and generally covers factual issues rather than the constitutional questions at stake.

Page numbers of the alphabetical index refer to the page showing the identification of the decision rather than the keyword itself.
